RESOURCE PACK FOR TEACHERS

1. SNOWBALL STORY

Priprema: Nije potrebno ništa osim koliko đaka toliko parčeta papira

Svaki djak dobije po 1 papir na kome treba da napiše početak neke priče (rečenicu ili dve). Nastavnik može da odredi vreme (npr. 1 minut). Kada vreme istekne, đaci zgužvaju papir, naprave grudvu od papira i gađaju se tako da svaki đak uzme po 1 parče papira gde treba da nastavi priču i tako nekoliko kruga (N odlučuje kad će da im kaže da završe priču). Kad je priča završena, onda đaci čitaju svoje priče i diskutuju o njima.

2. SKITTLES

Priprema: Pakovanje (ili dva) skittles bombona ili nekih drugih bombona različitih boja

Na početku N stavi ispred đaka skittles (ili neke druge) bombone i kaže im da uzmu koliko žele (tako da ima dovoljno za sve 😊). Bitno da je da ih đaci ne pojedu odmah nego nakon aktivnosti 😊. Zatim, N ispiše na tabli pitanja, npr:

RED: WHAT IS YOUR FAVOURITE MOVIE AND WHY?

YELLOW: IF YOU WERE AN ANIMAL, WHAT ANIMAL WOULD YOU BE?

ORANGE: WHAT WOULD YOU DO IF YOU WON MILLION DOLLARS?

GREEN : WHICH LANGUAGE WOULD YOU LIKE TO LEARN?

PURPLE: WHICH COUNTRY WOULD YOU LIKE TO VISIT?

(Boje zavise od boje bombona)

Nakon toga, svi đaci koji imaju npr .crvene bombone treba da odgovore na pitanje te boje (tj. What is your favourite movie and why). Aktivnost može biti interesantna i za niže i za više nivoe, samo da N prilagodi pitanja.

3. BANKRUPTCY

Priprema: Nastavnik unapred pripremi reči koje želi da obnovi ili gramatičku partiju koju je potrebno dodatno vežbati. Ispiše ih redom i obeleži brojevima od 1 do 20. Zatim nasumično ili prema težini dodeli poene (10, 20, 30) za 16 pojma/rečenica i onda uz dve sebi zapiše DONATION i poslednje dve BANKRUPTCY. Učenici se podele u dva tima i igra može da počne! Naizmenično timovi biraju broj, N daje zadatak i unapred pripisane ponene. Ukoliko otvore broj obeležen DONATION, sve svoje poene doniraju drugom timu, a ukoliko otvore BANKRUPTCY, gube sve dobijeno do tada. Pobjednik je ekipa koja ima više bodova na kraju.

4. LEFT ON THE SHELF – Izvanredna Džejmi Kedi i njegov Videotelling! Na sajtu postoje uputstva a može se prilagoditi na razne načine. Mi smo radili tako da prvo čitamo pesmu i diskutujemo, a onda gledamo video.

5. SCATTERGORIES

Cilj je smisliti reči koje počinju istim datim slovom, ali poen dobijate samo ako NIKO DRUGI nije dao isti odgovor.

Primer - kategorija „Sport“, slovo S - zapisala bih Soccer, ali i MNOGI drugi igrači. Igrač koji stavi Squash ili Shot put verovatno će zaraditi poen!

Igrajte [Scattergories](#) preko Zoom-a. Sve što vam treba su olovka i papir. Pronađite ovu igru na veb stranici Scattergories i podelite svoj ekran tako da svi mogu istovremeno videti kategorije, slovo i tajmer i igra može da počne.

6. LIP SYNC BATTLE

Izaberite pesmu, podelite zvuk na računaru, pustite pesmu i izazovite đake da daju svoje najbolje interpretativne performanse. Zamislite da se svi na vašem času zabavljaju uz „[Bohemian Rhapsody](#)“!

7. GO NOODLE

Reprodukujte <https://www.gonoodle.com/> i učenici mogu da gledaju isti video zapis i da igraju. Ovo je odlična opcija za pokretanje učenika.

8. CLASSCRAFT

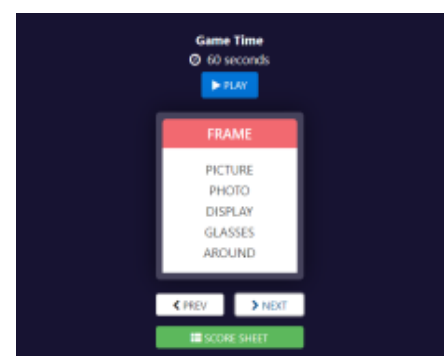

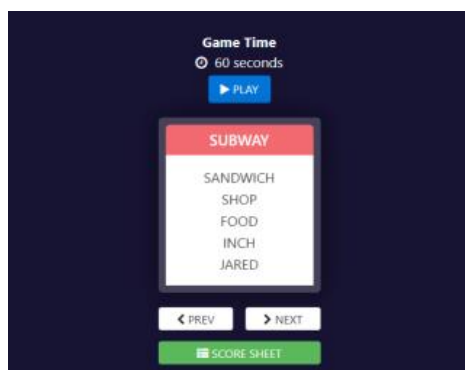

<https://www.classcraft.com/> je obrazovna aplikacija pretvorena u igru uloga. Aplikacija omogućava nastavnicima i učenicima da se zajedno igraju tokom cele školske godine kao deo procesa učenja.

Prateca je aplikacija za Google Classroom. Učenicima je potreban aktivan Classcraft nalog da bi je koristili.

9. TABOO

Postoji online verzija Taboo-a koja se može reprodukovati digitalno, koristeći Zoom, Google Meet ili željenu mrežnu platformu. Podelite svoju grupu u dva tima. Pružite igračima vezu do Play Taboo-a kako bi mogli na red doći do svoje „karte“ kako bi dali tragove. U svakom krugu igrači naizmenično daju tragove za svoj tim. Treba pogoditi glavnu reč na svojoj kartici na

[Play Taboo](#) koristeći jednu reč i BEZ izgovaranja glavne reči ili BILO KOJE DRUGE reči navedene na kartici. Timovi se smenjuju i daju se bodovi za svaku pravilno pogođenu reč.

11. COLOUR GAME

Think of a colour and finish the sentences:

- It smells like....
- It feels like ...
- It tastes like ...
- It sounds like ...

As the students walk around the classroom, they try to guess each other`s colours by reading through the sentences.

12. VIDEO WITH NO SOUND

As the students watch a video with the sound turned off, they try to guess what is happening in the video and afterwards write a short story, a dialogue etc.
